# ABOUT US

**SPANISH METHODOLOGY**  
**PROFESSIONAL ENVIRONMENT**  
**REAL OPPORTUNITIES**

CF Benidorm **NEXT** is built around a **Spanish football methodology**, internationally recognized as one of the most complete and competitive systems in the world. Our approach focuses on **tactical intelligence, technical excellence, physical preparation, and mental development.**

The project is designed to recreate **a real professional football environment**, where players are exposed daily to the routines, demands, and standards of elite football. Working with **qualified coaches and performance staff**, players develop not only as athletes, but as complete footballers prepared for the next level.

CF Benidorm **NEXT** offers ambitious players a clear pathway to **train, compete, and grow inside a structured, professional ecosystem**, aligned with the reality of modern football.

## THE DAILY LIFE OF A CF BENIDORM NEXT PLAYER

Players follow a **daily routine identical to that of a professional footballer**, carefully structured to maximize performance and long-term development. Each day combines **on field training, gym sessions, injury prevention work, and individualized performance plans**, all supervised by specialized staff.

Nutrition plays a key role in the program, with **sports nutrition guidelines** designed to optimize recovery, energy levels, and physical development. Players are educated on healthy habits that are essential for sustaining a professional career.

Great importance is placed on the **mental side of football**, helping players develop focus, confidence, decision-making, and emotional control during competition.

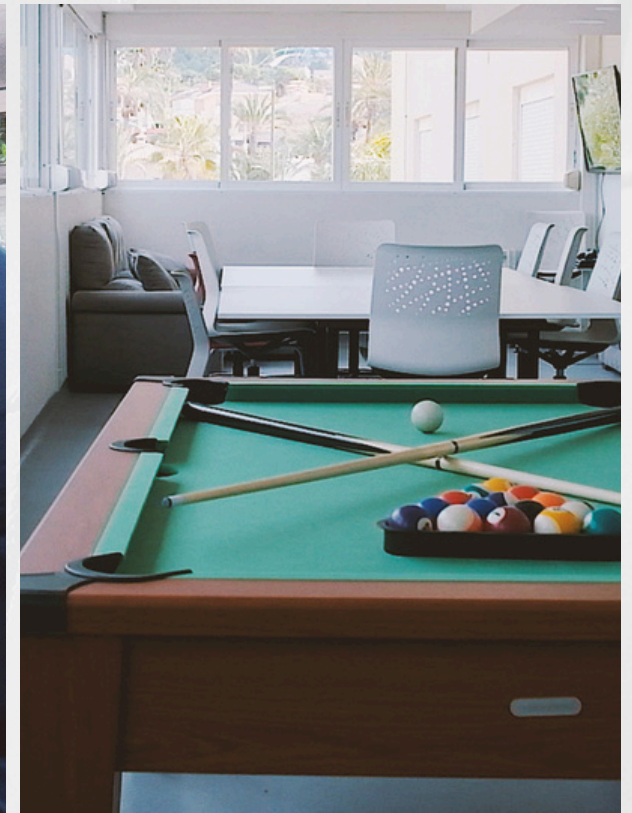

The process is reinforced through **video analysis sessions**, where players review matches and training situations with coaches to improve tactical understanding, positioning, and game intelligence.

Supported by **DV7 GROUP**, CF Benidorm **NEXT** integrates experience, elite football knowledge, and a professional vision that prepares players for the real demands of high-level football.

# RESIDENCE ELITE FACILITIES & RESIDENCE

CF Benidorm **NEXT** offers players a **top-level residential sports environment**, designed to support both performance and quality of life. The residence includes a wide range of facilities such as **gym, swimming pool, football field inside the complex, tennis courts, paddle courts, ping-pong areas, beach volleyball field and billiard spaces.**

Players also have access to **study classrooms**, a **restaurant**, recovery zones, and multiple leisure areas that help create a balanced and professional daily routine.

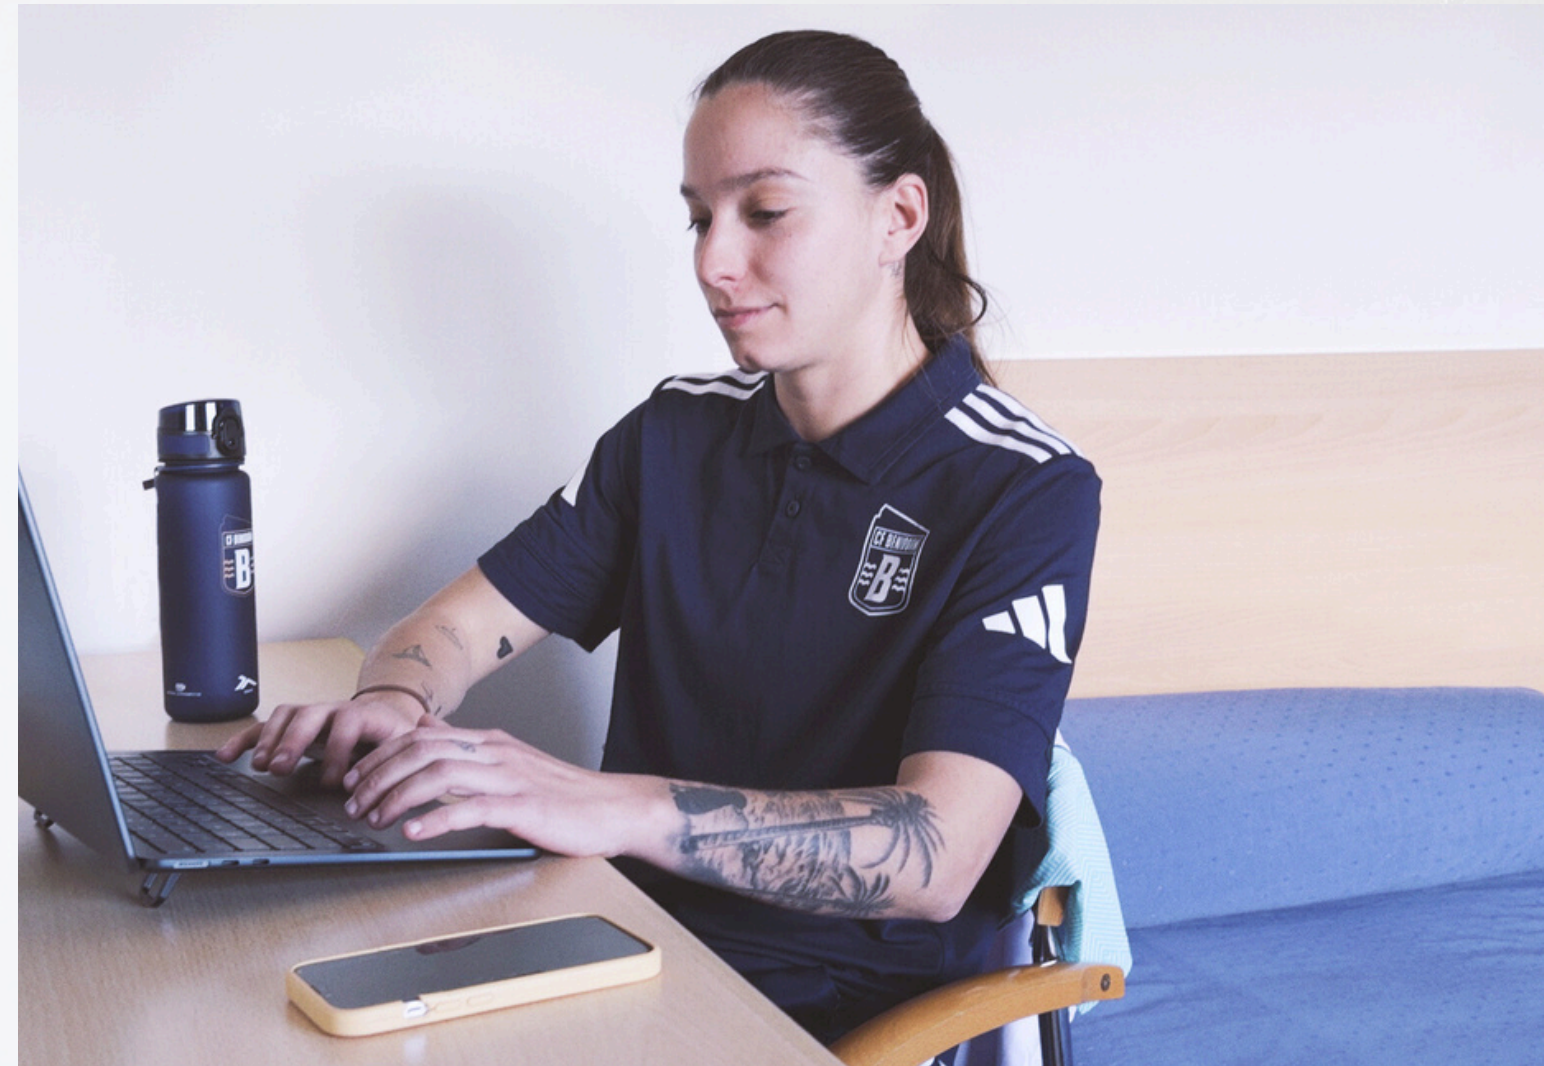

The residence is located **just minutes from the beach**, offering a privileged environment that combines high-performance training with an exceptional lifestyle, ideal for focus, recovery, and personal well-being.

# RESIDENCE ACCOMMODATION OPTIONS

CF Benidorm **NEXT** provides modern accommodation designed to meet the needs of high performance athletes. Players can choose between **double or quadruple rooms**, all equipped with **private bathrooms** and everything necessary to ensure comfort, privacy, and recovery.

The accommodation is fully prepared to allow players to live in optimal conditions throughout the season, creating a professional, safe, and structured environment.

# FIRST TEAM PATHWAY PROFESSIONAL FOOTBALL

CF Benidorm **NEXT** is directly connected to the club's **first team**, competing in a **fully league** within the Spanish football system.

This structure allows players to experience **real professional football**, with training standards, match preparation, and competitive demands aligned with the professional game.

Players who demonstrate the required performance, mentality, and progression have the **opportunity to train with the first team**, be evaluated in professional contexts, and potentially **progress into the professional squad**.
